## EXCLUSIVE FEATURES

### Tech Support+

Tech gurus are standing by to help with any smart device, any problem. Whether you need a hand with setup and installation, or connecting to Wi-Fi, Bluetooth® or smart products like your thermostat or speaker — simply tap “Live Help” for unlimited expert support.

### Secure Backup

Backup (and restore) the essentials, like contacts, photos, videos, music and more. Even if your device goes, your stuff stays. (Advanced: 100GB; Standard: 20GB)

### Antivirus\*

Get 24/7 protection from viruses, malware, spyware, risky apps and unsafe Wi-Fi networks that put you at risk for identity theft.

### Locate, Alert, Lock & Wipe\*

Remotely locate your device, sound an alarm, and even lock and clear private information so it doesn't fall into the wrong hands.

### Optimize Device Performance

Troubleshoot and keep your device in great shape. Geek Tools<sup>SM</sup> helps you prolong battery life and track storage and screen data use to avoid costly overages. Plus, Geek Tips<sup>®</sup> has a ton of easy how-to advice.

\*You must download and register to access the features of U.S. Cellular Protect. Availability and features vary by device, operating system and plan. Data charges may apply.

During registration, you'll be provided with the End User Licensing Agreement, including your rights for the product and the product's terms of use. Optimize Device Performance benefits are available at no additional cost. Antivirus, Alert, Lock and Wipe are only available for Android devices. U.S. Cellular Protect (with TechSupport+), is not an insurance product or a service contract and is part of Device Protection+.
